

HAJAR

PREMIUM STONE
VILLAS

AKOYA

**PART OF
NATURE'S
FABRIC**

PART OF HISTORY

Homes built of stone have been around for centuries. Standing the test of time, this beautiful natural material is seen in architecture all over the world.

Styles vary, and colours too; yet there is a constant: stone buildings inspire a sense of nostalgia – a wistful nod to the past where homes were created with love and careful attention paid to every detail.

PART OF MODERN LIFE

Hajar Villas combine an ancient material used throughout history, with artistic modern-day form. Not only strong, durable and beautiful, the stone build means these characterful homes are naturally warmer in winter and cooler in summer. Good looks are one thing but Hajar Villas are practical, energy-efficient and ultimately kinder to their environment as well.

PART OF NATURE

Expansive picture windows frame the lovely green vistas of the master community without, whilst private gardens and attractive balconies provide ample space to enjoy the outdoors.

For those in search of a luxurious home that's also low maintenance, a Hajar Villa is the perfect investment.

PART OF A COLLECTION

Set in their own private enclave of the international golf community, AKOYA, Hajar Villas are available in various sizes and arrangements to cater to a broad spectrum of investors – from newly married couples to large families.

SPACIOUS THREE-BEDROOM HOMES

These provide ample room to start, and grow, your family. Along with the master bedroom, the second room can be converted into a nursery and the third can be kept as a guest room.

LARGE FOUR-BEDROOM VILLAS

These villas give each family member the space they deserve. While the living areas encourage togetherness and family bonding, the bedrooms allow family members individual space to relax and reflect.

A wide-angle, high-angle photograph of a golf course. In the foreground, a lush green fairway leads to a large, well-maintained green. A golfer in a blue shirt is crouching on the green, preparing for a putt. Three other golfers stand nearby, watching. To the left, a water hazard with several small ponds is visible. The background shows rolling green hills under a clear sky. The lighting suggests late afternoon or early morning, with long shadows cast across the grass.

CHARMING SURROUNDINGS

Hajar Villas have access to the many amenities on offer at AKOYA. With nature-inspired facilities, gourmet fare, retail boutiques, an international golf club, and more, AKOYA is a refreshing escape from the hustle and bustle of the city.

A CONVENIENT LOCATION

Just a short drive from the centre of the city, and yet feels like a world away. The strategic location allows easy access to four major highways and other networks that put the city within easy reach. Take the Umm Suqeim Expressway and find yourself at the gates of AKOYA within 25 minutes.

DAMAC PROPERTIES / LIVE THE LUXURY

DAMAC Properties has been at the forefront of the Middle East's luxury real estate market since 2002, delivering award-winning residential, commercial and leisure properties across the region, including the UAE, Saudi Arabia, Qatar, Jordan, Lebanon, and Oman, as well as the United Kingdom. Since then, the Company has delivered over 27,400 homes, with a development portfolio of more than 35,000 at various stages of planning and progress.*

Joining forces with some of the world's most eminent fashion and lifestyle brands, DAMAC has brought new and exciting living concepts to the market in collaborations that include a golf course by Tiger Woods Design, managed by The Trump Organization, and luxury homes in association with Versace, Fendi, Just Cavalli, Paramount Hotels & Resorts and Radisson Hotel Group. With a consistent vision, and strong momentum, DAMAC Properties is building the next generation of Middle Eastern luxury living.

DAMAC places a great emphasis on philanthropy and corporate social responsibility. As such, the Hussain Sajwani - DAMAC Foundation, a joint initiative between DAMAC Group and its Chairman, Hussain Sajwani, is supporting the One Million Arab Coders Initiative. The programme was launched by Vice President and Prime Minister of the UAE, and Ruler of Dubai, His Highness Sheikh Mohammed bin Rashid Al Maktoum, and is focused on creating an empowered society through learning and skills development.
