Interior design by

*“Today  
the world  
is a colourful  
jungle”*

In the world of the wild and curious,  
nothing is mere coincidence and no  
detail is too small. This mysterious  
world is full of prodigies, alpha males  
and females leading the pack with  
their disruptive trends and superior  
styles. This is an ode to everything  
they stand for.

*“What is  
too much?  
There is no  
such thing!”*

### **Just Cavalli**

In 2000, Roberto Cavalli created a new line representing free spirits called Just Cavalli. Symbolising strong personalities through the use of modern materials and experimental graphics, the line has stood out as a means to express the style of tomorrow, constantly being reinvented and interpreted in an original way.

*“Nature is my  
main source of  
inspiration”*

### **Just exotic**

Only a handful of men could teach the world something about challenging the ordinary. Just Cavalli's experimental nature captured the relentless desire to create some of the world's most exotic and innovative designs.

Daring prêt-à-porter creations, bold printing techniques and the glam and rock attitude paved the way for a brand that's second to none.

*“Leopard is  
an animal design,  
and my designs  
come from  
nature”*

### **Just home**

A design pundit is not bound by any medium. Just Cavalli extended his vision beyond patterns, garments and the sensational catwalks to the alluring world of home décor. He wanted to apply his unorthodox style to furniture and home interiors. From wild wallpapers to exquisite coffee tables, the home collection introduced a new era in interior design.

**Just** for a grand entrance

Begin your journey at an acclaimed master development with a striking, private entranceway specially designed for the stylish homes by Just Cavalli. Pass through the gateway into the exclusive community and be instantly transported into an exotic, colourful world shaped for those who love to defy the ordinary.

Just Cavalli Villas are located in Aquilegia and Avencia clusters of AKOYA. The gated entrance and community in the Aquilegia cluster features an outdoor cinema, wellness area, swimming pool and fitness centre. Residents of the Just Cavalli Villas in Avencia will also have access to all the community features available in the Aquilegia cluster.
