AKQ₂YA

As far as the eye can see

These villas present themselves as an ode to the eyes; they are a beautiful composition designed to embrace nature with open arms, giving you uninterrupted views of the green horizon. Spread across six premium clusters – Albizia, Amargo, Basswood, Mimosa, Avencia and Victoria – in the international golf community, AKOYA, these wonderful homes exude splendour no matter where you look.

Beauty is in the eye of the beholder

Your new home is carefully crafted to offer you a blank canvas that you can design to your liking. While you take care of the interiors, we've taken care of the exteriors, with acres of lush green escapes and refreshing pools. Just step outside and lose yourself in the beautiful greens and bright blues.

Believe your eyes

The apple of your eye

These warm villas are just a few steps from an expansive swimming pool where summer fun is never ending. They are perfect for young families, with enough room for the little ones to grow and play. Relax in your garden overlooking the water and watch your children build long-lasting friendships from the comfort of your home.

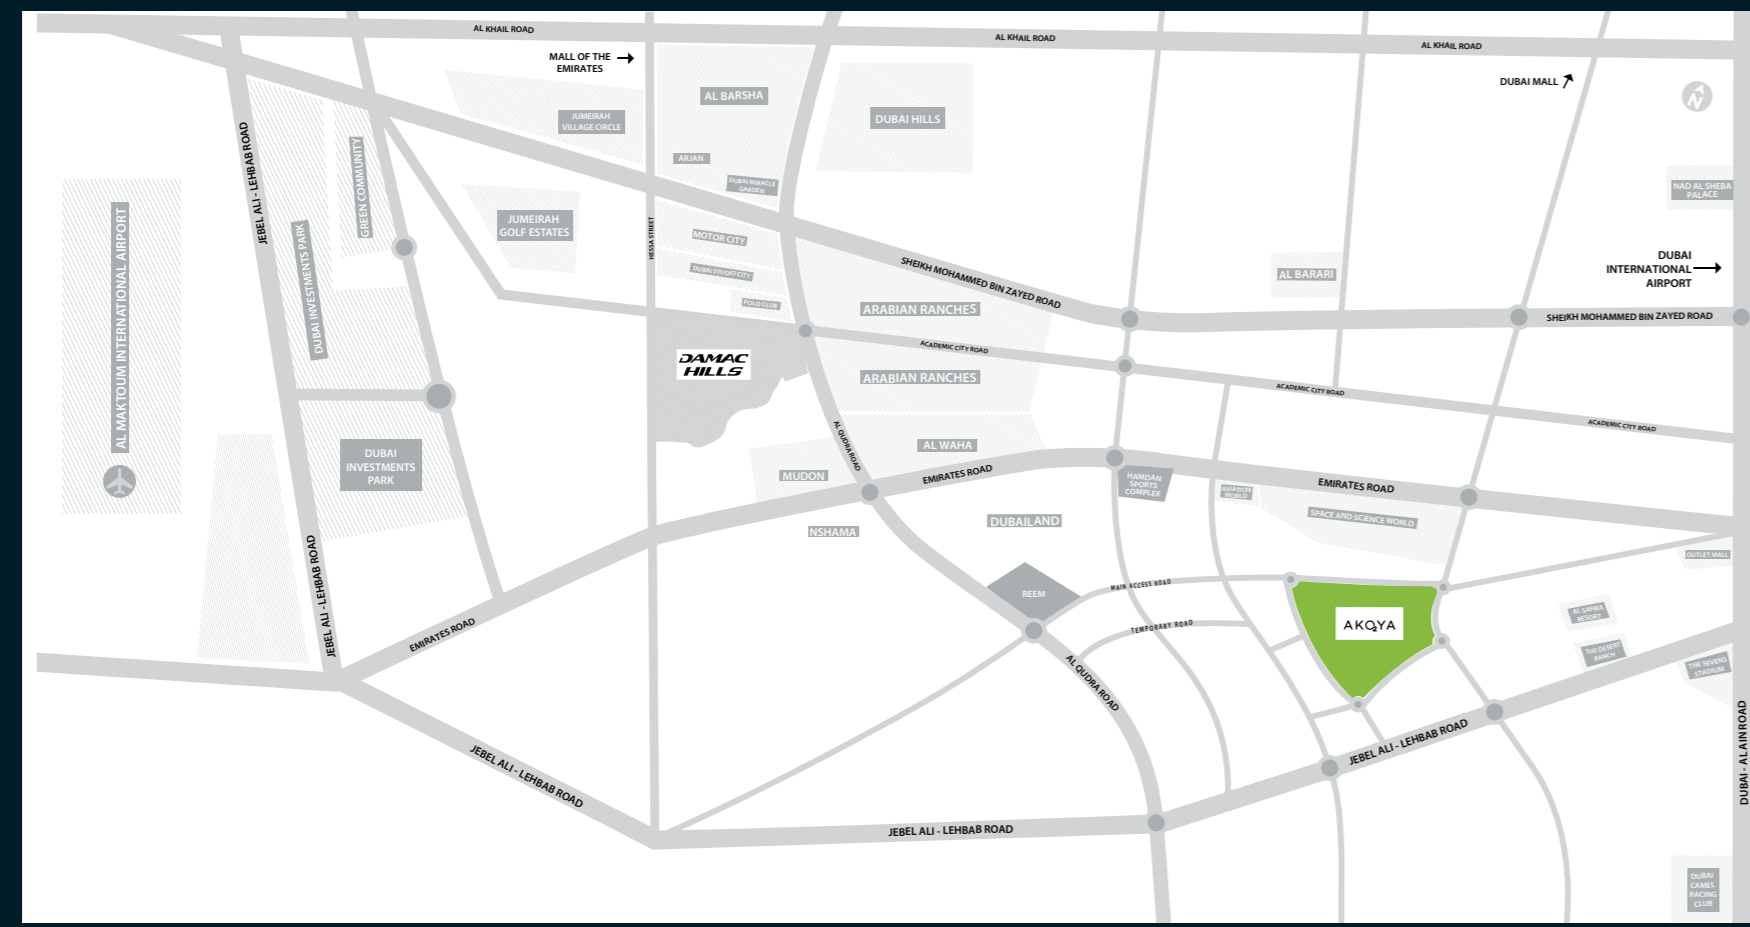

An eye for victory

Tee off your day with a round of golf on the golf course. There's also a world-class clubhouse, international restaurants, an expansive pro shop and the finest practice facilities available, complemented by PGA qualified professionals.

A bird's-eye view

AKOYA is strategically located away from the hustle and bustle of city life, yet provides you with convenient access to major business and entertainment hubs. Close to important road networks, you'll be able to commute around town with ease.
